Keep Levy Local

Help support our communities by transferring your Apprenticeship Levy

In uncertain employment times, now is a meaningful opportunity for Apprenticeship Levy Payers to transfer some of their unused fund to benefit local businesses.

By sharing unused Levy with smaller businesses, Apprenticeship Levy Payers could:

- Help boost and strengthen the local economy and community
- Support local businesses to grow
- Provide opportunities for new apprentices
- Help people who have been made redundant or need to retrain

Bournemouth & Poole College, in partnership with [Dorset Chamber](#), hosted a webinar to explain how this initiative could work for both Levy payers and smaller businesses. Catch up on the webinar by watching the videos below
