COVID-19 Testing

Bournemouth & Poole College will be launching COVID-19 testing for students and staff

Following the Government's announcement earlier this week, we are delighted to confirm that **the College will be reopening on Monday 8th March** and we'll be welcoming all students back to college from this date.

COVID-19 testing at the College

In order to ensure the College remains a safe environment for everyone, we are introducing COVID-19 testing for students and staff.

Students and staff will be provided with COVID-19 tests to take home and use twice a week.
