

The Course

In brief...

This course is designed to be both fun and enjoyable. You will be introduced to traditional art and design skills of Drawing and Painting and learn about the work of practicing artists. You will have the opportunity to take part in community-based work.

What the Course Leads to

What courses can I do after this?

On completion of this course, you could progress onto the UAL Level 2 Diploma in Art and Design or there are options to go into employment/further training in an art or design-related field.

What jobs can I get?

On this course, you will learn basic art and design skills that will enable you to progress to another higher qualification course. Studying Functional skills English and Maths will provide you with the skills to help you apply for employment.

What do I need to apply

To do this course you should have...

You will need to achieve 5 GCSEs including English and Maths Grades 3-1 (formerly GCSE Grades D-G) and the successful completion of a Foundation Entry Level 3 qualification and have achieved an Entry Level 3 Functional Skill in English and Maths.

We would also require a portfolio of current artwork. This could be examples of drawings, paintings, sculpture, photography, textiles, design etc...

What about work experience?
