The College are incredibly proud to announce that they have been named National Catering & Hospitality Apprenticeship Provider of the Year in the 2021 AAC Apprenticeship Awards.

This prestigious award recognises the hard work put in by the team at The College, not just in providing high quality teaching, but also in offering high levels of engagement with employers and apprentices, and in showing a sustained commitment to working with employers in the sector.

Winning this award is a huge achievement for The College. Antony Carr, Director of Apprenticeships, said, “This is a significant award (the Apprenticeship Oscars!) and the staff involved should be incredibly proud of the work they do every day to make a genuine difference to the lives of the students and apprentices they develop.”

Hospitality and Catering Apprentices at The College work in the local area, and many also go on to placements in some of the best hotels in the world. We offer a world-class training programme, and maintain links to industry professionals around the world.
