Get Ready For College!

It's time to get ready for college!

We're looking forward to you joining us in September, but there are a few more things to do before you start.

Firstly, it's important to complete your online enrolment. [This can be done by clicking here.](#)

You'll need your student ID number and your GCSE results ready to upload. If you can't find your student ID number, your customer service representative will be able to provide this.

If you're having problems accessing or using the online enrolment portal, our enrolment team are available at both the Lansdowne, Bournemouth and North Road, Poole sites from 8:30am to 6:00pm Monday to Friday. They will be more than happy to process your enrolment in person.

There is still time to apply for any of our courses that start in September, or to apply for apprenticeships starting in September too. Our customer service and Base team are able to support you in applying for these.

Didn't quite get the GCSE results you had hoped for? Don't panic. Our customer service representatives will help make sure you're on the correct course for you.
