

The Course

In brief...

The aim of this qualification is to provide learners with the knowledge and understanding of babies and young children from birth to seven years of age with applied knowledge in the early years, 0-5 years. The qualification content meets the Department for Education's (DfE) Level 2 full and relevant criteria for a Level 2 Early Years Practitioner in the workforce.

Who is it for?

This course is for students who would like to go into early years profession but have not achieved the required English or Maths qualifications to study and level 3 Diploma in Childcare and Education.

The course is for students who wish to go into workforce work as a Level 2 Early Years Practitioner.

What the Course Leads to

What courses can I do after this?

It is possible for students to progress on to the Level 3 Diploma in Childcare and Education if they have demonstrated good attendance and attitude at passed the NCFE CACHE Level 2 Diploma for the Early Years Practitioner. They will also be required to demonstrate excellent and attendance attitude and behaviour at placement. If you have obtained your GCSE English and Maths at a 4 or above /or a Level 2 in F/S's.

You could progress onto an early years apprenticeship at level 2 or level 3 depending of your employer's expectations and the colleges expectations.

Additional you could join the early years workforce as a level 2 practitioner.

What jobs can I get?

Upon achievement of this qualification, learners can progress into various job roles in the statutory, voluntary or private sectors, such as:

- Nursery assistant
- Classroom assistant
- Pre-school assistant
