

## Massage, Eyes & Nail Enhancements Level 3

2022/23

Inspiring Lives, Discovering Futures

The Course

In brief...

**THIS IS THE MASSAGE ROUTE.** This is most suitable for those therapist who would be more interested in a salon setting, rather than a Spa environment. You should have a creative flair with an interest in application to a suitable commercial setting. Nail art and enhancements as a Nail technician and Eye lash tinting and extensions or a massage therapist. This course delivers a non-invasive aspect to Beauty Therapy employment.

**Who is it for?**

Those with a passion for working in a commercial salon/counter and/or as a nail technician or salon who want to pursue a career into this exciting industry.

What the Course Leads to

**What courses can I do after this?**

Employment in related industry, freelance or in a high street salon, Nail or Lash Technician in a commercial setting or progression to higher education to the Higher National Diploma (HND).

**What jobs can I get?**

Here at The College we have a reputation for offering excellent skills training. Our lecturers are professionals in their chosen fields, with sound experience, knowledge and expertise.

Working in our public salons and makeup studios you will gain valuable experience in offering a professional salon service, including customer care, client consultation and professional treatments in a realistic working environment.

You will have access to well equipped hairdressing salons and makeup studios situated at our Lansdowne campus in central Bournemouth.

What do I need to apply

**To do this course you should have...**

Successful completion of industry related Level 2 qualification (in hair/make-up/beauty) and a minimum of 5 GCSEs including English and Maths grades 9-4 (formerly A\*-C) or a Level 2 Functional Skill in English and Maths.

If you do not possess industry related qualifications, then we would recommend studying our L2 Beauty or L2 Hair Media Make up study program before embarking on this Level three program. This is due to the huge amount of advanced technical skills and knowledge required.

**What about work experience?**

You must complete a minimum of 45-60 days work experience during the academic year as decided by your tutor, which is likely to consist of 1 day per week and a block of two weeks. This is compulsory for 16-18yrs old, but 19+ there may be some flexibility with this.
