## Apprenticeships Unlocked

Join us to find out if an Apprenticeship is for you...

Are you ready for the world of work? As the largest provider of Apprenticeships in the area, we work in partnership with over 2,000 businesses across Dorset and the surrounding area. We have over 30 different Apprenticeships and 98% of our apprentices gain employment, or stay with their Apprenticeship employer as a permanent employee!

The Apprenticeship route is a great way to gain industry experience and study towards a nationally recognised qualification, while earning a wage. Essentially, it's a job with training and a qualification. So, you'll earn money, develop your skills, add to your CV and experience, plus take a step up the career ladder.

You can now book your ticket to attend our Apprenticeship unlocked Event 2022! Join us at the RNLI College Wednesday 9th February to find out more about apprenticeships, meet leading local employers and listen to talks from our experts. You will be able to chat with our friendly apprenticeship team and explore all the apprenticeships we have on offer for this year.

You can only book 1 ticket per person due to limited numbers. Please consider others trying to attend the event and bring one person with you. Please book your tickets through Eventbrite below.

We can't wait to meet you!
