

Online English/IELTS Preparation course

Inspiring Lives, Discovering Futures

The Course

In brief...

Online Academic IELTS Preparation course is designed to help you prepare for your course at University and/or for the Academic IELTS exam. You will develop skills in Listening, Reading, Writing and Speaking with an IELTS exam focus. In addition, the course will assist you with vocabulary and grammar that will be useful for you in IELTS, other exams and General English as well.

Online Academic IELTS Preparation course is aimed at:

- those looking to enrol on a UK university course
- those preparing to take Academic IELTS
- those aiming to reach the required level of English to continue studying at a UK college or university.
- those looking to improve their ability to communicate in English

Our courses include:

- 12 study hours per week - face-to-face interactive classes on Zoom (Mon -Thurs from 09:00- 12:00 UK time)
- an average of 10 students per class
- fully qualified UK-based teachers with experience delivering online classes
- access to free optional extension activities for self-study

Who is it for?

This course is for international students who would like to improve their English language level to prepare to take the Academic IELTS exam, to study in the UK.

What the Course Leads to

What courses can I do after this?

On completion of this course, you could progress onto either a Pre-Sessional course at a University, FE or Higher Education.

In order to be accepted onto these courses, you need to take the appropriate examination and International students have a choice of internationally recognised General and Academic English examinations: the most popular with our students is IELTS. If you wish to take an IELTS test, please go to <http://www.ielts.org> for fees and other important information concerning studying in the UK.

What do I need to apply

To do this course you should have...

For this course, you must be aged 16 years or older.

When you apply for the course you will be asked to give the college evidence of an IELTS score of 5.0 or equivalent. If you cannot do this, you will need to complete a short English language test, which will determine whether you have the correct level of English for this course.

Course Content

Course Content

Online Academic IELTS preparation course classes cover listening, reading, writing and speaking exam skills. There will also be attention given to grammar and vocabulary practice.

In addition to the content specific to exam skills, the course may also include:

- multi-media learning: texts, video, interactive exercises
- study skills that will help you continue to learn at universities or colleges
- pronunciation skills
- academic English
- oral presentation skills which will help if you go on to study at university

In your online lessons, you will be asked to be active and participate in a variety of activities (e.g. skills practice, vocabulary exercises, pair and group work, communication, self and peer correction, oral presentations and exam preparation). It is important that you ask questions when you do not understand an idea that is brought up in class. You will also be able to give feedback on your classes and tell us if you want additional topics or activities.
