

The Course

In brief...

This course has been designed for people looking to renew their BPEC certificate for Unvented Hot Water Systems.

What the Course Leads to

What courses can I do after this?

On successful completion of this course you can progress onto Water Regulations or Energy Efficiency.

What do I need to apply

To do this course you should have...

Any operative wishing to undertake the renewal of unvented hot water systems must provide evidence of holding an existing expiring unvented qualification or proof of an expired qualification within the 12 months of the expiry date.

If you are concerned that you do not fit this criteria please contact us to discuss your circumstances and consider the Initial training and assessment course.
