

The Course

In brief...

This is a Full-Time course for students aged 16-19 designed to give you the opportunity to gain a Level 2 qualification and to prepare you to enter Full Time work in the Construction Industry.

The course is based at our facility at the North Road campus in Poole.

This study programme also includes Personal Development, Employability and Work Experience, and depending on GCSE grades on entry, may include GCSE or Functional Skills in maths and/or English.

Entry requirements for this course are either completion of a Level 1 Diploma in a Construction trade or Grade 4 GCSEs in maths and English.

The course gives learners the opportunity to develop hand skills at their own pace and you will be assessed through a series of practical assessments and online tests throughout the year.

This is a 1-year Full-Time programme which you will need to attend approximately 3 to 4 days of the week for 36 weeks.

What the Course Leads to

What courses can I do after this?

On successful completion of this course you will be able to progress on to the Level 1 Diploma in Plastering, employment or apprenticeship training. It is not possible to become fully qualified unless you gain employment in the industry and are assessed on site.

What jobs can I get?

Here at The College we have a reputation for offering excellent skills training. Our lecturers are professionals in their chosen fields, with sound experience, knowledge and expertise.

What do I need to apply

To do this course you should have...

You will require a minimum of 4 GCSEs at grades A*-D including English and maths grades 9-3 (formerly A*-D) and science for some programmes. Alternatively successful completion of a relevant Level 1 qualification and have achieved a Level 1 Functional Skill in English and maths.

What about work experience?
