

The Course

In brief...

Successful organisations create a workplace environment where individuals can show initiative, take responsibility and feel empowered to take measured risks. Coaching is one of the most powerful and cost effective tools for developing individual and organisational performance. This Award is designed for Managers and will add to their knowledge, management skills and effectiveness.

Candidates will have studying membership of the ILM for 6 months. Visit <http://www.il-m.com> to find out more about the Institute of Leadership and Management.
