

The Course

In brief...

if you are over 16 and out of education/training/work and are unsure about your future, then this programme is ideal to get your life back on track, help rebuild your confidence in an educational setting and enable you to gain a qualification.

The course is the 2nd stage of the A2FE programme and you will have already successfully completed stage 1 of Access to Further Education. As part of the programme, we will help you to match your personal interests with a relevant suitable course/vocation. This is particularly ideal if you wish to change career direction or have a strong interest in a specific subject/field.

What the Course Leads to

What courses can I do after this?

On successful completion, you will be able to identify a variety of vocational options and decide how you can move forward in education to achieve your goals.

What do I need to apply

To do this course you should have...

There are no specific entry requirements but you must be over 16 years old and able to attend college for 12 hours each week.

Course costs
