

Free Online Course - Level 2 Certificate in Understanding Behaviour that Challenges

2023/24

Inspiring Lives, Discovering Futures

The Course

In brief...

Challenging behaviour is causing increasing concern today as many individuals have increasing levels of stress and uncertainty in their lives. This behaviour can be due to factors such as anxiety, neglect, abuse, learning disabilities and conditions like dementia. Understanding the causes of challenging behaviour is the first step towards finding ways to support individuals and manage their behaviour.

Whether you're interested in learning for work, career progression or self-development, our range of nationally recognised courses provide a flexible blended approach to your learning.

Our Enrolment Process is complete online and you will be assisted every step of the way by one of our team members.

If you require any further information, please call James Sewell on direct line 01202 205800 or email on sewellj@bpc.ac.uk

Who is it for?

Whether you're interested in learning for work, career progression or self-development, our range of nationally recognised courses provide a flexible blended approach to your learning.

For each qualification the learner receives a hard copy/learning pack, which contains all the theory and knowledge a learner will need to achieve these Level 2 qualifications. We use an online learning platform known as eAssessor to submit your answers to the course, the course is broken into topics/sections and you submit your studies to your assessor for feedback as you work your way through.
