How to Apply Study with us

Our courses fill up fast so don't miss out.

Don't wait until you have taken your exams or are finishing school to apply, as this may be too late and you could be left disappointed. If you do better than expected with your GCSEs, then we can discuss a different level course with you when you come to enrol. The same applies if your results are not as good as predicted.

We'll work hard to support you as you gain your qualifications and will help you leave college as a mature, confident young person with a great future ahead of you.
