Learn the skills you need to be successful in these industries!

Most job roles now require computing and digital skills to some degree, and there is huge demand for people who are trained to a high level. Currently there are over 32,000 IT roles in Dorset and Hampshire, with average wages exceeding £40,000!*

A national report by Tech Nation found that Bournemouth's digital sector expanded 2.6 times faster than the rest of the UK economy, with jobs in digital technology increasing by 25%!

At our College, we rise to this challenge to ensure you complete your course with the skills and ability to find and retain top jobs.

From [Computing and IT](#) to [Everything IT](#), [3D CGI](#) to [Social Media and Digital Marketing](#), giving you the skills to get jobs in these diverse industries is what sets us apart. So now's your chance to join these booming industries!
