Gain valuable skills. Develop your mindset. Plan for success.

Whether you want to go straight into work, start your own business, go to university or reach new levels in your current career, The Business School will have a course for you. Develop a deep understanding of how businesses make decisions, effective business practice and problem-solving strategies to help you succeed.

You'll benefit from our close relationship with the local business community. We can offer:

- Guest Speakers

- Up-to-date, relevant courses
- Work placement opportunities
- One to one mentoring
- Business surgeries
- Networking
- Visits to local/national companies
- “Live” employer projects
- Access to high quality learning environments with the latest technologies

We work with many leading companies in the region to ensure that you gain the specialist skills and techniques you need to be successful in your chosen career. We work with companies such as IBM, Primark, LV=, Redweb, The RNLI, Yellow Buses, and many more. You’ll be set up for future success, whether that’s in study, employment or in business leadership.

From courses to careers!

Thinking about your career - at The Bournemouth & Poole College we know that getting a good qualification is only part of the story. It’s what it leads to that’s really important. Our interactive widget below can help you understand some of the careers that our courses lead too, with average salaries, current employment and predicted growth over the next couple of years.
