

Open Event Questions

- 1) Is there a deadline date for applications and can I still apply?
It is not too late to apply, we are continuing to accept and process applications. Please visit our website www.thecollege.co.uk to complete an application today.
- 2) If I have applied for an apprenticeship and I have not secured an employer do I get an automatic place on the full time course?
You would not be guaranteed or be given an automatic place on the full-time course if you have been unable to secure an employer. We would always recommend applying for both full time and apprenticeship especially as places can fill quickly once we start our enrolment.
- 3) What do I do if I am experiencing problems using the Portal to book interview or accept course offers?
Google Chrome is our recommended browser when using the Portal. If you experience any issues using the Portal then please contact our Admissions team on 01202 205680 or email: Centraladmissions@bpc.ac.uk where a member of the team will be happy to help resolve your issue.
- 4) I am a current student at the College how can I find out when the College is reopening to continue my studies?
The College is partially re-opening its sites for 15th June 2020. Please visit <https://www.thecollege.co.uk/news/partial-reopening-college-sites-0> for more information
- 5) What do I do if I have been given a task to complete as part of my interview where do I send this piece of work or portfolio?
You will be advised by your interviewing tutor of how to submit your task if applicable
- 6) Since coming out of Lockdown I am really anxious about coming to the College is there any support available to help me cope? And what measures have the College taken to keep me safe?

Here at the College we take your safety seriously and every precaution will be taken in order to keep all our students and staff safe and healthy.

We are a really supportive College and have various support teams available. Our support teams include:
 - Mental Health Coaches
 - Welfare Coaches
 - Counsellors
 - Learning Support
 - Careers Advice and GuidancePlease don't be afraid to access any of these support services during your time with us as they will be very happy to support you.
- 7) When can I start my College course?

At Present we are hoping to open our College in September. However, no date has been confirmed as we are still adhering to Government guidelines. As of 10th June, they have not informed us when we are likely to reopen fully.

8) When will my Enrolment take place?

If you are a Progressing student we are hoping to start enrolment from the 1st August. For all new students to the College, Enrolment may take place from 24th August. You will receive an Enrolment letter with full details towards end of July/beginning of August.
