If a young people or vulnerable adult is at immediate risk of harm outside of college opening hours please contact the police.

## Context

The key principles of safeguarding are:

- The welfare of the young person or vulnerable adult is paramount. Staff should consider, at all times, what is in their best interests, associated factors outside of college and that incidents may occurs between students outside of the college environment
- Safeguarding is everyone's responsibility – for services to be effective, each profession and organisation should play their full part.
- A student-centred approach – for services to be effective, they should be based on a clear understanding of the needs and views of students, both for the physical and mental health.
- All students, regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.
- All staff have an equal responsibility to act on any suspicion or disclosure that may suggest a young person or vulnerable adult is at risk of harm.
- Students and staff involved in child protection and safeguarding issues will receive appropriate support.
- Staff should never promise a young person or vulnerable adult that they will not tell anyone about an allegation, as this may ultimately not be in their best interest.

Safeguarding and promoting the welfare of young people or vulnerable adults is defined as protecting children from maltreatment; preventing impairment of young person's health or development; ensuring that young people grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all young people to have the best outcomes.

Child protection refers to the activity that is undertaken to protect specific young people who are suffering, or are likely to suffer, significant harm.

If a young person is in immediate danger or is at risk of harm, a referral should be made to children's social care and/or the police immediately. Anyone can make a referral. Where referrals are not made by the designated safeguarding lead, the designated safeguarding lead should be informed as soon as possible that a referral has been made.

The College recognises that we have a statutory and moral duty to promote and safeguard the welfare of vulnerable adults receiving education and training at the College.

## A whole organisation approach

## **Our Approach**

### ***Partnership with parents/careers and the community***

The College shares a purpose with parents and carers to educate, keep young people/children safe from harm and promote their welfare

The College is committed to working with parents positively, openly and honestly and ensures that parents are treated with respect, dignity and courtesy

The College respects parents' rights to privacy and confidentiality and will not share sensitive information until we have permission or it is necessary to protect a young person/child

### ***Liaison with external agencies***

The College will promote effective liaison with other agencies in order to work together for the protection of all students, in line with statutory guidance

### ***Domestic Abuse***

This College receives information from the police to alert the Designated Safeguarding Lead when there has been an incident of domestic abuse in a household where the student lives. The College is not informed of the detail of the incident, only that one has occurred. This allows the College to monitor and support the student. If the College has additional concerns the need for further safeguarding actions will be discussed with Social Care. This information will only be shared with other staff on a restricted need to know basis i.e. those who are immediately responsible for the student's welfare such as the pastoral team or the student's tutor. Where a Multi-Agency risk assessment conference (MARAC) occurs the College may be asked for information and appropriate information may be shared with the college after the meeting.

### ***Early Help***

Providing early help is more effective in promoting the welfare of children and young people than reacting later. It means providing support as soon as a problem emerges.

Early help support will be kept under constant review and consideration given to a referral to the Multi Agency Safeguarding Hub (MASH) if the young person/child's situation does not appear to be improving.

In order to do this the College will work with other local agencies to identify those who would benefit from early help by:-

- undertaking an assessment of the need for early help
- providing early help services such as health support, pastoral and welfare support, mental health coaches and access to counselling
- make referrals to appropriate external services e.g. CAMHS, YADAS
- sign post to appropriate additional external support e.g. Childline, Papyrus

### ***Students with Child Protection Plans***

Students who are the subject of a Child Protection Conference will have either an agreed multi-disciplinary action plan or child protection plan. The Designated Safeguarding Lead, or an agreed Deputy DSL or Safeguarding Officer will attend and/or provide reports for strategy

discussions, CP conferences, core group meetings and contribute to assessments and plans.

The College recognises that students who are the subjects of abuse, neglect or who live in situations of domestic abuse may exhibit distressed or challenging behaviour and may not be reaching their full academic potential. The College will ensure that appropriate support mechanisms are in place in college.

### ***Students with Special Educational Needs or Disabilities (SEND)***

The College recognises that students with SEND may face additional safeguarding challenges and expects staff to take extra care to interpret correctly apparent signs of abuse or neglect. Indications of abuse will be reported as for other students. They may be increasingly vulnerable to being bullied, at higher risk of criminal (including sexual) exploitation, on line grooming and radicalisation. Staff should work closely with parents/carers in meeting any particular needs and providing any appropriate safeguarding advice.

Additional barriers can exist when recognising abuse and neglect in SEND students and staff should be alert to these.

### ***Students with Mental Health/Emotional Health Needs***

The college is aware that mental health problems can, in some cases, be an indicator that a student has suffered or is at risk of suffering abuse, neglect or exploitation,

Students identified with mental health/emotional health issues or those with parents/siblings identified with these will be offered additional support through the Safeguarding and Student Health Teams, including access to Mental Health Coaches and qualified counsellors.

Additional support will be provided at during exams, exams results, during transition times and after bereavement or tragic events.

### **Relationships, Health and Sex Education (RHSE)**

Students will cover relevant topics as part of their Personal Development Tutorial programme

### ***Students who are Looked After, those previously looked after and Care Leavers***

The College provides specific guidance in how support is provided for this group of students which is led by the Student Welfare Coordinator. They are responsible for maintaining records on the legal status of the student, liaising with the student, the Local Authority, the curriculum team and any other appropriate agency.

### ***Substance Abuse***

The College provides education and support through the college tutorial programme for issues related to substance misuse. The College seeks to provide a supportive environment for individuals while also maintaining clear expectations through the student and staff codes of conduct regarding expectations and sanctions.

### **FGM/Forced Marriage/so called Honour Based Abuse**

All staff will receive training in the requirement to report incidences of FGM and to raise all concerns immediately via the safeguarding referral process.

### ***Trafficking and Modern Day Slavery***

All concerns of trafficking or modern day slavery will be reported to the police and/or the MASH where there are safeguarding concerns for young people/children.

### ***Gangs, Youth Violence, Weapons***

The College works with partner organisations to educate and support students experiencing gang related violence

The College has clear expectations of student behaviour and ensures that students are aware of both the support available and the sanctions in place to address issues.

### ***Students and the Court system***

The Student Welfare team offer additional support to students involved in any form of court process.

### ***Homelessness***

The Student Support Team work with appropriate services when they become aware of any housing issues that may pose a risk to the welfare of a young person, including where 16-18 year olds may be living independently. A referral will be made to the MASH if a young person is thought to be at risk of harm.

### ***Students with family members in prison***

The college will provide additional support for students with family members in prison through the Personal Development Tutor and Welfare Coach programmes.

### ***Peer on Peer Abuse***

Staff should recognise that students are capable of abusing their peers. Any allegations will be recorded, investigated and addressed, with support available for victims, perpetrators and other parties affected.

Abuse will never be tolerated or passed off as 'banter' or 'part of growing up.' This includes all aspects of bullying, on-line safety including youth produced imagery (sexting) and gender issues.

### ***Up skirting***

All concerns of up skirting will be reported to the police and/or the MASH where there are safeguarding concerns for young people/children.

### ***Child on Child Sexual Violence and Sexual Harassment***

Any such allegations will be reported through the College safeguarding referral process and a referral made to the MASH immediately who will advise on the appropriate action to take, including assessment of risk to other students and staff.

### ***Bullying, significant friendship issues and prejudice***

The Student Behaviour policy outlines the College approach to instances of bullying which will be dealt with robustly and fairly. A referral may be made to the MASH where a student is considered to be at risk of significant harm.

### ***Students missing education***

Attendance, absence and exclusions are closely monitored.

A young person/child going missing from education is at significant risk of under achievement, being a victim of harm, abuse or neglect including criminal or sexual exploitation or risk of radicalisation.

It is the policy of Bournemouth and Poole College to collect 2 emergency contacts for all students wherever possible.

### ***Welcoming other practitioners***

Visitors with a practitioner role such as social workers or members of the Police have been vetted to work with young people and children through their own organisation. Practitioners will be required to bring their identity badges on ALL visits, sign in at reception and wear a college visitor badge.

### ***Off-site Visits***

Off-site visits are the subject of a risk assessment, safeguarding concerns or allegations will be responded to following Pan Dorset Safeguarding Partnership's procedures. The member of staff in charge of the visit will report any safeguarding concerns to the DSL or their deputy who will pass it to the MASH if appropriate.

Educational Visits procedures will be followed at all times.

### ***Home Stay Provision***

The college will ensure that all Homestay providers have completed DBS checks in line with KCSIE 2020 and National minimum Standards requirements and have completed a full induction programme and appropriate checks that include safeguarding training and Prevent awareness.

### ***Children at Risk of CSE (Child Sexual Exploitation) and Child Criminal Exploitation (CCE)***

The college will follow Pan Dorset Safeguarding Partnership's guidance to identify and reduce risk of CSE and CCE.

The college will work with external agencies to reduce risk of harm from criminal exploitation such as County Lines, drug trade and trafficking. Appropriate regard will be given to the risks arising for all involved.

### ***Service Interruption and students working remotely***

In the case of sudden closure due to pandemic or other causes that require students and staff to work remotely, the college will maintain emergency safeguarding measures that ensure that vulnerable students are safeguarded appropriately and that new safeguarding concerns may be effectively addressed.

The college will at all times work with external partners such as the Local Authorities to adopt a partnership approach and will follow emergency guidelines issued by central government for this purpose

Updated procedures will be prepared for each occurrence and will be published as an annexe to the main Safeguarding policy. Emergency procedures will be agreed by the Principal and Chair of the College Board and ratified by the full board at the earliest

opportunity. .

The college will provide safeguarding and health and safety advice, guidance and expectations to all employers with apprentices who are home working.

## **Our staff**

### ***Safer recruitment***

Our college complies with the requirements of Keeping Children Safe in Education (DfE 2020) and the Pan Dorset Safeguarding Partnership by carrying out the required checks and verifying the applicant's identity, qualifications and work history. The College maintains a single central record of recruitment checks undertaken.

All recruiting managers complete appropriate training in safer recruitment and there will always be at least one person involved in every recruitment process who has undertaken specific training.

All staff and volunteers undertaking regulated activity have an enhanced DBS check prior to taking up their role. A minimum of two validated references are always required.

### ***Staff training and induction***

All new staff, volunteers and Governors will receive safeguarding training to ensure understanding of the Safeguarding and Child Protection policy.

The DSL, deputies and Safeguarding Officers will attend Level 3 Safeguarding Training at least once every 2 years, attend safeguarding forums and keep up to date with recommendations from serious case reviews, changes to national and Pan Dorset Safeguarding Partnership's policy and guidance

The whole college staff will receive formal safeguarding training at least every 3 years with regular face-to-face updates annually, outlining any changes, updates, reminders as required.

The College follows Pan Dorset Safeguarding Partnership's guidance in relation to the provision of appropriate safeguarding training and is developing a supervision model to support staff involved in safeguarding cases.

### ***Abuse of position of trust***

All college staff are aware that inappropriate behaviour towards students is unacceptable and that their conduct towards students must be beyond reproach.

Staff understand that under the Sexual Offences Act 2003 it is an offence for a person over the age of 18 to have a sexual relationship with a person under the age of 18, where that person is in a position of trust, even if the relationship is consensual. This means that any sexual activity between a member of the college staff and a student under 18 may be a criminal offence.

### ***Allegations against staff***

Any report of concern about the behaviour of a member of staff or allegation of abuse against a member of staff must be reported immediately to the Designated Senior Lead or to the Principal who will refer to the Local Authority Designate Officer (LADO). Complaints about the Principal should be reported to the Chair of Governors who will then contact the LADO.

Bournemouth, Christchurch and Poole: Laura Baldwin and John McLaughlin (01202 456744).

Allegations concerning staff who no longer work at the college will be reported to the police.

The Pan Dorset Safeguarding Partnership's procedures will be followed for allegations of abuse made against teachers or other staff.

### ***Whistle Blowing***

Staff who are concerned about the conduct of a colleague towards a young person or vulnerable adult are undoubtedly placed in a very difficult position. They may worry that they have misunderstood the situation and they will wonder whether a report could jeopardise their colleague's career. All staff must remember that the welfare of a child is paramount. The college Whistleblowing policy enables staff to raise a concern or allegation in confidence and for a sensitive enquiry to take place.

Staff may also report their concerns directly to children's or Adults social care, the police or the NSPCC whistleblowing helpline (<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/>) if they believe direct reporting is necessary to secure action.

## The Prevent Agenda

### ***Preventing violent & non-violent extremism & radicalisation***

#### ***Identification of Concern***

All staff should be able to recognise signs and indicators of concern and respond appropriately. The following lists are not exhaustive and all or none may be present in individual cases of concern. Nor does it mean that young people or vulnerable adults experiencing these factors are automatically at risk of exploitation for the purposes of extremism. The accepted view is that a complex relationship between the various aspects of an individual's identity determines their vulnerability to extremism.

There is no such thing as a 'typical extremist' and those involved in extremism come from a range of backgrounds and experiences. The following indicators may help to identify factors that suggest a young person or their family may be vulnerable or involved with extremism.

#### ***Vulnerability / Risk Factors***

Identity crisis:	Distance from cultural/religious heritage and uncomfortable with their place in the society around them.
Personal crisis:	Family tensions; sense of isolation; adolescence; low self-esteem; disassociating from existing friendship group and becoming involved with a new and different group of friends; searching for answers to questions about identity, faith and belonging.
Personal circumstances:	Migration; local community tensions; events affecting country or region of origin; alienation from UK values; having a sense of grievance that is triggered by personal experience of racism or discrimination or aspects of Government policy.
Unmet aspirations:	Perceptions of injustice; feeling of failure; rejection of civic life.
Criminality:	Experiences of imprisonment; poor resettlement/reintegration, previous involvement with criminal groups.

#### ***Access to extremist influences***

- Reason to believe that the young person associates with those known to be involved in extremism
- Possession or distribution of extremist literature/other media material likely to incite racial/religious hatred or acts of violence
- Use of closed network groups via electronic media for the purpose of extremist activity

#### ***Experiences, behaviours and influences***

- Experience of peer, social, family or faith group rejection
- International events in areas of conflict and civil unrest had a personal impact on the young person resulting in a noticeable change in behaviour
- Verbal or written support of terrorist attacks
- First-hand experience of racial or religious hate crime
- Extended periods of travel to international locations known to be associated with extremism
- Evidence of fraudulent identity/use of documents to support this

- Experience of disadvantage, discrimination or social exclusion
- History of criminal activity
- Pending a decision on their immigration/national status

***More critical risk factors include:***

- Being in contact with extremist recruiters
- Articulating support for extremist causes or leaders
- Accessing extremist websites, especially those with a social networking element
- Possessing extremist literature
- Justifying the use of violence to solve societal issues
- Joining extremist organisations
- Significant changes to appearance/behaviour

***System of Referral / Reporting Concerns***

In the event of noticing changes about a student that may be related to vulnerabilities towards radicalisation and extremism, or having concerns for their welfare, the staff member should make a referral through the existing Safeguarding referral process.

If a staff member has concerns but is uncertain of the level of risk they should contact the Designated Safeguarding Lead (Director of Student Experience) or, if unavailable, one of the Deputy Designated Safeguarding Leads (Head of Student Support/Learning support Manager/Personal Development Manager / Student Wellbeing Co-ordinator).

Where there is an identified / potential risk that a student may be involved in supporting or following extremism, further investigation by the local Prevent / Channel Team will be requested prior to other assessments and interventions.

Incidents relating to extremism are expected to be very rare but emergency procedures will be adopted when there is information that a criminal / violent act is imminent, or where weapons or other materials may be in the possession of a student or a community member. In this situation, an emergency Janet Call on 222 or a 999 call will be made and the College's Principal, Executive and Senior Management teams informed as soon as practicably possible.

Where a child or vulnerable adult is thought to be in need or at risk of significant harm, or where investigations need to be carried out, advice may be sought from the Home Office, or a referral made to the MASH or other appropriate agency will be made in line with the College's Safeguarding procedures, following advice from the appropriate Prevent / Channel Officer.

The College will maintain suitable IT filtering software to protect students from terrorist and extremist material while using College systems and will report on attempts by students or staff to access blocked sites.

British Values is promoted and embedded within the curriculum and this is monitored through the Quality Team.

***Channel Referral Process***

Where it is found that a concern identified may have a security dimension to it, liaison with the Police will form an early part of the investigation. Dorset Police will carry out an initial assessment and, if appropriate, set up a multi-agency meeting to agree actions for

supporting the individual. If it is deemed that there are no concerns around radicalisation, appropriate and targeted support will be considered for the young person.

### **ESFA Referrals**

Where the college or one of its sub-contractors becomes the subject of a prevent related police or Local Authority investigation the Designated Safeguarding Lead will work with the Chair and/or Chief Executive to report this to the ESFA.
