

The purpose of this policy is to explain what funding might be available to help you with the essential costs associated with coming to College. It will explain the eligibility requirements for accessing that funding and the application and award process.

Who does this policy apply to?

This policy applies to any learner studying on one of our Further Education courses who meets the eligibility requirements described in Appendix 1 or 2.

Policy Statement

This funding is designed to support those students most in need of financial support, to enable them to engage in education or training. All Student Finance schemes are provided by the Education and Skills Funding Agency (ESFA).

The ESFA publish national guidance that sets out the criteria for all the types of funding that we offer. We will look at any application in line with the national guidance. Where funding permits, we will try to support changes in your personal and/or household finances. Any discretionary award will be made on a first come first served basis and will be subject to the funding that is made available from the Government. **Funding should not be assumed and cannot be guaranteed.**

Where a Student Finance award is given, your attendance at College will be monitored by the Student Finance Team and payment will be made in accordance with a number of attendance criteria, as set out in the Procedure.

Why do we need this policy / background information?

The 16-18 Bursary, Discretionary Learner Support Fund (dLSF) and Advanced Learner Loan (ALL) Bursary can provide some financial assistance with the costs associated with coming to College. They are government funded and are designed to assist a priority target group of learners, who are socially or economically disadvantaged.

The Government's College Meal Support scheme is designed for students aged between 16-18 years old, or students with an Education Health and Care Plan (EHCP) Plan aged up to 25 years, who meet the national criteria. This scheme provides these students with one meal a day while they are studying.

How will I receive the funding?

16-18 Vulnerable Bursary

Payment for students in receipt of the 16-18 Vulnerable Bursary will be paid via BACS transfer directly to a nominated bank account provided during the application process.

Travel contributions

Students in receipt of any bursary contributing to travel expenses will receive payment via BACS transfer to a nominated bank account provided during the application process. The total contribution for travel costs provided by the college will be issued in respect of household income and cost of travel. Students will be notified of this total in their award confirmation. Payments will be received each Monday to spend on travel costs for that week. This payment is a contribution to support students during their time at college and the associated costs; as such it is the responsibility of the student to ensure this funding is being used appropriately i.e. travel contributions are spent on travel costs.

IT support

Students in receipt of the 16-18 Discretionary Bursary may be eligible for financial support towards the cost of an IT device and/ or WIFI support during their time at college. Considerations for eligibility will be formed on the basis of household income, course, attendance, and in liaison with curriculum staff to establish need.

Childcare

During application, students will detail requirements for support with childcare costs. Financial support for childcare will then be paid directly to the provider by the Student Finance Team.

Free college meals

College Meal Support awards will be delivered via the College cafeteria outlets. Students can use their Student ID card at the till to purchase a free college meal up to the value of £4.30. This total can be split between a maximum of 2 transactions a day, allowing students to purchase food items for breakfast and lunch if required.

Equipment fees

Students who are eligible for financial support for equipment fees will receive an online voucher for a nominated provider equal to the value of equipment costs. This voucher will be sent with the award confirmation.

Associated course cost

All other associated course costs will be paid directly to the provider.

Due to GDPR requirements, if you are aged over 18, you will need to give written consent to Student Support to discuss matters relating to your award, either verbally or in writing, with a third party.

What are the attendance requirements?

Attendance will be monitored by the Student Support Team for all Student Finance awards given. Any award will be based on regular attendance.
